SOWMIYA M

UI/UX Designer

itsmesowmiya.vercel.app | +91 9176906606 | sowmiyasoms747@gmail.com | Chennai, Tamil Nadu

PROFILE

UI/UX Designer with hands-on experience as a solo designer delivering real-world client projects. Skilled in designing intuitive, user-centered digital products using Figma, from wireframes to interactive prototypes.

INTERNSHIP

UI/UX Design Intern | *Nexzware Technology* | July 2026

- Designed wireframes, user flows, high-fidelity UI screens, and interactive prototypes using Figma.
- Worked as a solo designer on 6+ real-time client projects including builder website, WhatsApp builder bot, e-commerce clothing website, admin dashboard, gym website, and parking app (separate apps for users & owners).
- Created reusable components, design systems, and UI elements to maintain consistency across products.
- Delivered end-to-end UI/UX solutions from concept to interactive prototype, focusing on usability and user experience.

PROJECTS

BookMyShow — Smart AI Movie Ticket Booking |

- Designed an AI-powered automatic movie ticket booking experience.
- Designed an AI-driven booking flow to reduce ticket failure during high-demand releases by introducing smart seat selection and backup preferences.
- Improved booking success during high-demand movie releases.

Google Maps — Sensory-Friendly Route Planner |

- Designed navigation for neurodiverse users.
- Added sensory-aware routes, crowd heatmaps and AI alerts.
- Improved accessibility and independent travel experience.

Google Pay — Today's Spend Indicator |

- Designed a real-time spending indicator before payment.
- Displays daily spending automatically with zero setup.
- Helps users make better financial decisions.
